

Bureau of Fisheries and Aquatic Resources 7

Bohol Provincial Fishery Office

J.A Clarin St., Dao District,
Tagbilaran City, Bohol

Our Mandate

The Bureau is responsible for the development, improvement, management and conservation of the countries fisheries and aquatic resources

Our Mission

To protect fisheries and aquatic resources and empower stakeholders to improve productivity

Our Vision

An institution of excellence in sustainable fisheries management and services contributing to the nations food security by having 20% fish surplus and improving fisherfolks quality of life by

2030

GOALS

To attain the vision of a sustainable and competitive fisheries industry we must have:

- Sufficient contribution to national food security;
- Inclusive growth within the industry;
- Sustainable, science-based fisheries and aquatic resource management services
- Compliance to international laws, policies, and standards, and enforcement of local laws and regulations;
- Strengthened capacities in infrastructure, technologies, human resource, and information sharing; and
- Resilience to environmental hazards.

Our Services

FISHERIES DEVELOPMENT PROGRAM

CAPTURE FISHERIES SUB-PROGRAM

MAJOR PROGRAM/INITIATIVES

Provision of Fishing Gears and Paraphernalia

F/B Pagbabago "FRP Boat"
Livelihood Development Program
*Motorized / Non-motorized
Marine Engine distribution*

TYPE OF GEARS/PARAPHERNALIA

Payao
Lambaklad
Hook & Line Gears (multiple handline, tuna handline, squid jig, etc.)
Trap Gears (fish pots, fish trap, crab pot, fish corral, etc.)
Net Gears
Others

Following the concept of *Bangka Ko, Gawa ko*. Beneficiaries will be the one to construct their boats through training. Likewise, operation and maintenance is included in the hands-on training.

FISHERIES DEVELOPMENT PROGRAM

AQUACULTURE SUB-PROGRAMS

MAJOR PROGRAM/INITIATIVES

Activities

Fingerling Production and Distribution

1. Fry/Fingerling distribution to identified beneficiaries (sold at cost/dispersal for free)

Seaweed Development Program

1. Distribution of seaweed propagules
2. Distribution of seaweed farm implements
3. Establishment of seaweed nurseries

Cages for Livelihood Development Program

Construction of Cage thru hands-on training, to include operation and management

Operation and Management of Production Facilities

- Rehabilitation and upgrading of facilities

BFAR 7 operates 8 facilities, 5 in Bohol 2(source of fry/ fingerlings for distribution) and 3 Technology Outreach Stations (TOS) wherein nursery & grow-out culture technologies of priority commodities are showcased.

Operation and Management of Community-Based Satellite Hatcheries

Rearing of milkfish eggs to fry. Eggs will be produced by Central Bangus Hatchery and will be stocked in the satellite hatcheries to be reared to fry stage.

FISHERIES DEVELOPMENT PROGRAM

POST HARVEST SUB-PROGRAM

MAJOR PROGRAM/INITIATIVES

Distribution of Post Harvest Equipment & Facilities

Fish Stalls
Freezing Equipment
Dryers (seaweed/fish)
Fish Processing Utensils
Others

ACTIVITIES

Support to post-harvest activities of fisherfolk groups especially women

FISHERIES REGULATORY AND LAW ENFORCEMENT PROGRAM

Major Program/Initiative	ACTIVITIES
Malinis at Masaganang Karagatan (MMK) Monitoring, Control and Surveillance <i>Regulations & Enforcement</i> <i>Red Tide/ HAB Monitoring</i>	Law enforcement operations to combat Illegal, unreported, unregulated fishing (IUUF) Water quality monitoring for Red Tide presence
Quality Control and Inspection <i>Inspection of Fishery Facilities</i> <i>Inspection of Fishery Products</i>	Provision of lab services for fish health monitoring and analysis of fish & fishery products for export
Quarantine, Registration & Licensing <i>Permit Issuance (FLAs, CFVGL, other fisheries entities/fisheries products)</i>	Quarantine services provided (airport/seaport); issuance of permits (LTP)/ licenses for renewal of CFVGL and FLAs
<i>Fisheries Management Areas (FMAs) Coastal and Inland Fisheries Resource Management</i> <i>"Balik Sigla sa Ilog at Lawa" (BASIL)</i>	Operationalization of Management Board/SAG; LGUs assisted Restoration/rehabilitation of lakes and stocking of Communal Bodies of Water

FISHERIES EXTENSION PROGRAM

Major Program/Initiatives	ACTIVITIES
Fisheries Extension Program	
Training and Technical Assistance <i>Trainings conducted</i> <i>Technical Assistance Provided</i>	Provision of technical trainings to identified beneficiaries. Requests by groups are also accommodated by way of cost-sharing.
Strengthening Partnerships with Stakeholders <i>FARMC and Fisherfolk Operations Center operated</i> <i>Strengthening of FARMCS</i> <i>Assistance to LGU Technicians</i> <i>Assistance to Stakeholders (academe, NGAs, NGOs, POs)</i> <i>Provision of Scholarship</i>	Provision of incentives as partners in fishery development Technical assistance support Fisherfolk Children, Industry Leaders, IP Scholars Participation to agri-fishery trade fair and product exhibit
Technology Demonstration established	Establishment of Livelihood projects for fisherfolk. These are aquaculture projects of which inputs are provided to beneficiaries- Fishpond Culture,. Marine Fish Cage, Aquasilviculture Project, Seaweeds Grow-out Project, Shellfish /oyster Project, Aquaponics, Organic Farming, etc.)
IEC activities conducted	Distribution of IEC Materials
	Use of TV, radio, print, social media

FISHERIES POLICY PROGRAM

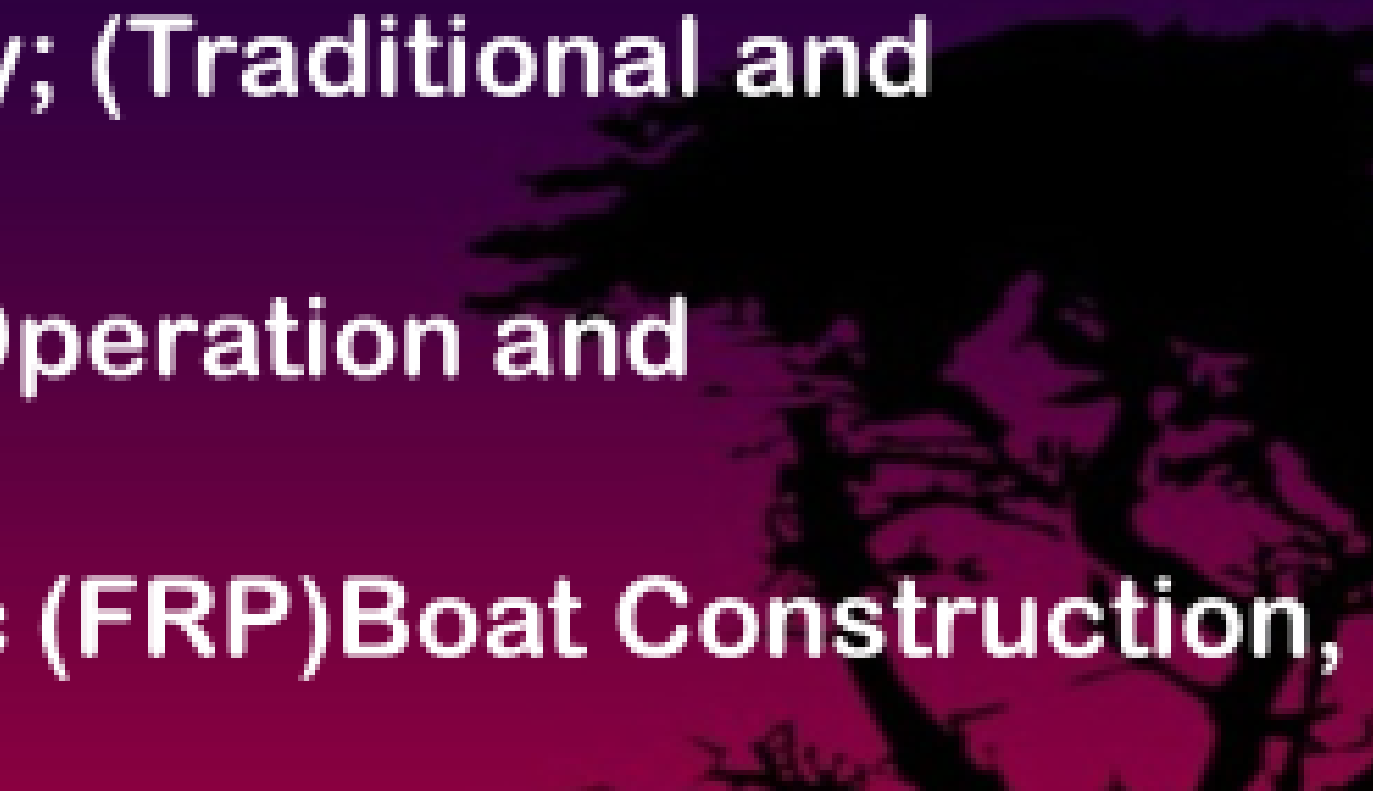

Major Program/Initiatives	ACTIVITIES
Formulation, Monitoring and Evaluation of Policies and Programs	
<ul style="list-style-type: none"> • Conduct of Stakeholders Consultation/ Workshops/Meetings 	Participation of all/relevant stakeholders on all regular meetings/ workshops/ consultations being conducted either by Province or Regional
<ul style="list-style-type: none"> • Fisheries Data Updating 	Updating of the following information technology-based systems: <ul style="list-style-type: none"> • Municipal Fisherfolk Registration System (MFRS) for FishR • National Program for Municipal Fishing Vessels and Gears Registration or BoatR • Aquaculture Resources System (AquaR)- ICT-based data inventory & mapping system • Fishing Vessels Electronic Licensing System (FELIS) for CFVGLs • Fisheries Law Enforcement Management Information System (FLEMIS) • Integrated Marine Environment Monitoring System (IMEMS) • TARGET Beneficiaries Socio-Economic Survey Form • Regional, Provincial, Municipal Fishery Profiles

Trainings for Capability Development for FAs

AQUACULTURE

- 1. Training on Bangus Garungan Production and Management;**
 - 2. Training on Bangus Culture and Management in Pond, Cage and Pen;**
 - 3. Training on Siganid Culture and Management in Cage;**
 - 4. Training on Seaweeds Culture and Management**
 - 5. Training on Lato Culture in Pond;**
 - 6. Training on Tilapia Culture and Management in Pond, Cage and Pen;**
 - 7. Training on the Establishment and Management of Tilapia Hatchery; (Traditional and Intensive)**
 - 8. Training on Ornamental Fish Culture and Management**
- 

MARINE CAPTURE FISHERIES

1. Training on Gill Net Fishing Technology;
 2. Training on Responsible Fishing with the use of Fish Shelter;
 3. Training on Fish Pots Fishing Technology;
 4. Training on Crab Pots Fishing Technology; (Traditional and Collapsible)
 5. Training on LAMBAKLAD Construction, Operation and Management
 6. Training on Fiberglass Reinforced Plastic (FRP) Boat Construction, Operation and Management
- 

REGULATORY

1. Orientation on Republic Act 8550 as amended by Republic Act 10654 otherwise known as the Philippine Fisheries Code of 1998;
 2. Assist on the Training on the Deputation of Fish Warden (for LGUs with Municipal Waters)
 3. Assist on Orientation on Fisheries Management Area Approach
- 
- The background of the slide features a gradient from dark blue at the top to orange at the bottom, suggesting a sunset. In the lower right corner, there are black silhouettes of trees and a small bird in flight.

POST HARVEST AND FISH PROCESSING and VALUE ADDING

1. Training on Fish Processing and Fishery Product Development;
2. Training on Guso Processing;
3. Training on Smoked Fish;
4. Training on bottled fish (bangus, sardines, mackerel)
5. Training on Bangus Deboning

How to avail the Trainings

1. Members of Fisherfolk Association should be FishR registered;
2. A letter of intent from the FA to avail a specific training should be properly indorsed to BFAR by the Local Chief Executive thru the Municipal Agriculture Office;
3. Cost sharing of expenses during the training
