Republic of the Philippines
Department of Agriculture
BUREAU OF FISHERIES AND AQUATIC RESOURCES—REGIONAL OFFICE NO. VII
Negros Oriental Provincial Fishery Office

“

Function:

Serves as the fishery and aquatic arm for resource management, protection and development at the grass root levels, accessible to fisher folk, LGUs, and private entities

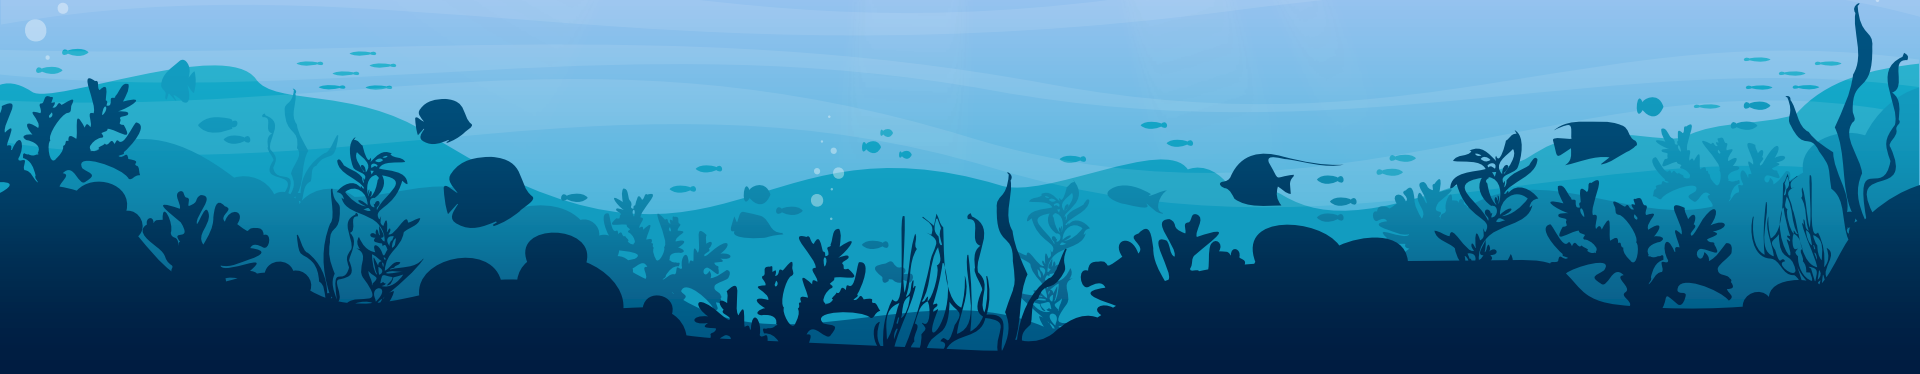

Services:

1. Issuance of Local Transport Permit and facilitation of other fisheries quarantine documents
2. Implementation of fisheries livelihood projects to LGU-identified beneficiaries, through regular and special programs
3. Provision of technical assistance through office consultation, resource speaking and field demonstration, and conduct of fisheries trainings related to implemented programs
4. Issuance of Certificate of Clearance and Fishermen's License IDs and inspection of commercial fishing boats/vessels and their gears
5. Conduct of larval shrimp laboratory analysis and issuance of Health Certificate
6. Conduct of regular market monitoring in selected fish markets
7. Facilitation of Fishpond Lease Agreement application and monitoring of FLA areas
8. Conduct of Harmful Algal Bloom monitoring in selected bays of Negros Oriental
9. Assistance to Fish, Boat, and Gear Registration (FishR, BoatR, and GearR)
10. Linkage with non-government organizations and coordination with other national government agencies in carrying out the bureau's mandates

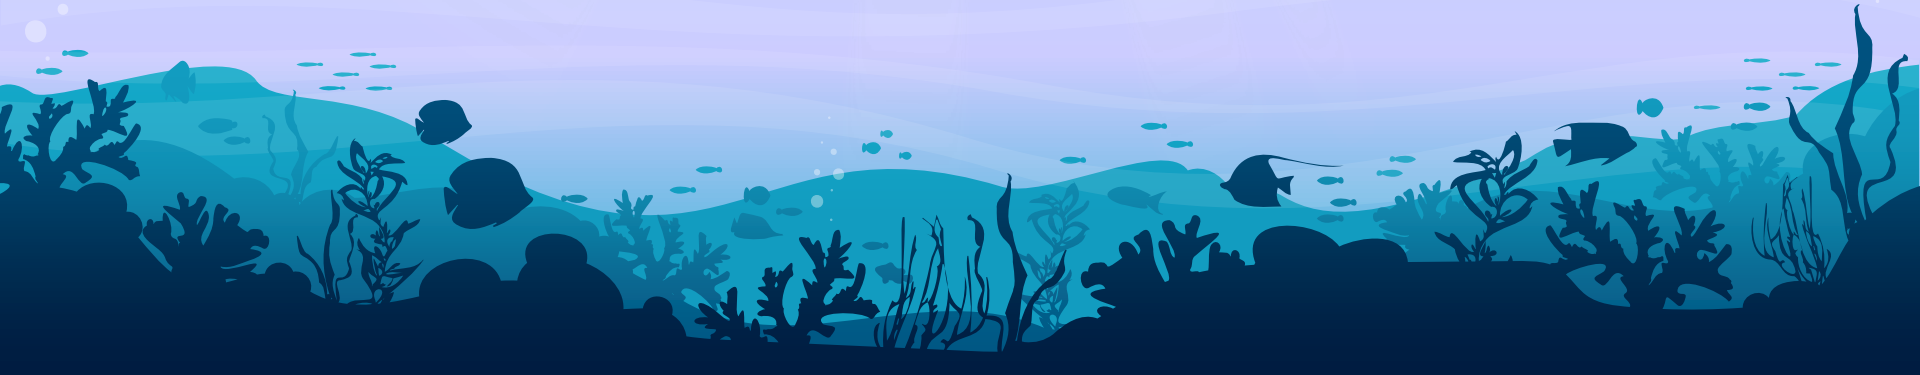

Programs Implemented for 2022:

1. Targetted Actions to Reduce Poverty and Generate Economic Transformation (TARGET)
2. Quick Response Fund (QRF)
3. Balik-Sigla sa Ilog at Lawa (BASIL)

Programs Implemented for 2023:

1. Targetted Actions to Reduce Poverty and Generate Economic Transformation (TARGET)
2. Special Area for Agricultural Development (SAAD)
